O PENED IN JANUARY 2021, Windsor's new Cabana Bar offers breathtaking pool-to-ocean views.

Flanked by a central bar, the space was conceived as a casual lunch or pre-dinner venue where members can enjoy refreshing cocktails and small plates in the beautiful natural surroundings. It served as the perfect setting for a tasting of the 2022 Windsor Charity Polo Cup Signature Cocktail with Windsor's Director of Equestrian Operations, **Max Secunda**.

Presented by PNC Bank, the Windsor Charity Polo Cup is recognized as the premier charity sporting event of the season in Vero Beach. In addition to world-class polo, the event showcases an array of interactive events and exhibitions including an elegant luncheon, themed tailgate, specialty retail village, luxury automobile concours, and a high-end raffle. The 2022 event will raise funds for two local environmentally focused charities—the Ocean Research & Conservation Association and the Environmental Learning Center.

"The signature cocktail crafted by our talented Clubhouse Bar staff is a highly anticipated feature of the event, and I think this year's cocktail, aptly named the Mallet, will certainly prove to be another crowd-pleaser," said Secunda.
